Jeff,

It is simpler - I like it! I'll vote for Whenisgood if we start using one of these programs.

Thanks,

The conference room is not available from 12-1PM on Thursday, so I will schedule for Thursday 1-4PM as originally planned and we will try to speak about the most important issues first so Vera can provide input. Thanks.

P.S. Lindsay is going to send out a doodle test run – just to see if it works. It will not impact next week's meeting.

Patty – Thursday 5/18 I have 11 am to 3 pm available. Would not be able to stay until 4 pm. But if you scheduled 12-3 instead of 1-4 it could work?

I would like to have a FYR Team meeting next week, if possible – does Wednesday, May 17 (1-4 PM) work for everyone? Please let me know.

I would like to discuss:

- Appendix I, Responses to Stakeholder Input
- Appendix G, Site Inspection Checklist
- Rad-NESHAPs as an ARAR
- EPA and CDPHE comments that might need discussion
- Anything else we may need to discuss before the document is finalized
